- 21. Exceptions & Waivers
- 22. Policy Governance, Review & Breach Handling
- 23. Appendices — Quick Reference Limits & Definitions

1. Purpose & Objectives

- 1.1. This Expense Policy ("the Policy") establishes clear, fair, and consistent rules for incurring, approving, documenting, and reimbursing business expenses at JB Enterprises Limited ("JB Enterprises", "the Company").
- 1.2. The objectives of this Policy are to:

- Ensure that all Company funds spent by employees are **necessary, reasonable, and bona fide** business expenses.
- Protect employees by defining exactly what will and will not be reimbursed, removing ambiguity and personal financial risk.
- Safeguard the Company against tax exposure, regulatory penalties, and audit findings under the Income Tax Act, 1961, the Companies Act, 2013, and applicable GST law.
- Deter and detect fraud, waste, and misuse of Company resources.
- Enable accurate budgeting, forecasting, and cost control across all departments and locations.

1.3. This Policy applies to all spending from Company funds, whether paid through reimbursement, corporate card, travel desk, or expense advance. Where any conflict arises between this Policy and a signed contract, statute, or regulation, the statutory requirement prevails and the Finance Director must be notified.

2. Scope & Applicability

2.1. **Who is covered:** All full-time employees, part-time employees, probationers, interns, trainees, fixed-term staff, directors, and consultants acting with expenditure authority on behalf of the Company.

2.2. **What is covered:** All business-related expenditure including travel, lodging, meals, entertainment, conveyance, communication, subscriptions, training, events, and any other cost incurred in the course of Company business.

2.3. **What is not covered:** Contractor and vendor invoices (processed via Accounts Payable), payroll items, and statutory payments. These follow separate procurement and accounts payable procedures.

2.4. **Entity coverage:** This Policy applies to all branches, offices, and project sites of JB Enterprises Limited in India. Overseas subsidiaries and joint ventures may adopt this Policy with local addenda approved by the Finance Director.

2.5. Employees on client sites must additionally comply with the client's on-site conduct rules. Where the client's rules are stricter, the stricter rule applies; where this Policy is stricter, this Policy applies.

3. Governing Principles

Every expense decision should pass the following five tests. If any test fails, the expense should not be incurred without prior written approval.

- **Business purpose test** — The expense must have a clear, articulable business benefit to the Company.
- **Reasonableness test** — A prudent person spending their own money would consider the amount reasonable for the circumstance.
- **Authorisation test** — The expense was approved by an authorised approver before or promptly after being incurred.
- **Documentation test** — A valid tax invoice or receipt exists and is attached to the claim.
- **Legality & integrity test** — The expense is lawful, and no bribe, kickback, facilitation payment, or improper inducement is involved in any form.

The Golden Rule: *Spend the Company's money as carefully as you would spend your own.* An employee claiming an expense must be able to defend it publicly, to an auditor, and to a tax authority.

Additional principles:

- **No personal benefit.** Expenses that confer a material personal benefit (beyond ordinary business travel comfort) are not reimbursable.
- **Economy first.** Always choose the most economical option that meets the legitimate business need, consistent with health, safety, and scheduling constraints.
- **Transparency.** Claims must be complete, accurate, and unedited at the source. Splitting, padding, or substituting receipts is a disciplinary matter.
- **Timeliness.** Claims are expected within the reporting periods defined in Section 17; aged claims may be declined.

4. Roles & Responsibilities

4.1. Employee / Claimant

- Incurs only authorised, policy-compliant expenses.
- Obtains valid receipts at the time of the transaction.
- Submits claims within deadlines, with itemised detail and correct ledger/account coding where applicable.
- Repays any advance balance in excess of valid claims by the stated due date.
- Declines and reports any request to misstate, split, or fabricate an expense.

4.2. Line Manager / Approver

- Confirms the business purpose and reasonableness of each claim before approval.
- Verifies attendance and trip legitimacy where relevant (e.g., hotel stay matching travel dates).
- Enforces budget availability within their cost centre.
- Applies the Policy consistently, including to their own team's senior members.
- **Never approves their own claim.** Self-approval is prohibited at every level.

4.3. Finance / Accounts Payable

- Performs policy and arithmetic checks on every claim.
- Verifies tax invoice validity, GST details, and input credit eligibility.
- Processes approved reimbursements per the payment calendar (Section 18).
- Maintains the audit trail and reconciles corporate card statements and advances.

4.4. Finance Director / CFO

- Owns this Policy, approves exceptions (Section 21), and adjudicates disputes.
- Reviews policy limits annually and proposes revisions to the Board.
- Monitors trends, anomalies, and repeat exceptions by employee, department, and vendor.

4.5. Internal Audit / Board Audit Committee

- Conducts periodic and random audits of expense claims.
 - Reviews high-value claims above audit thresholds (Section 20.4).
 - Reports material findings to the Board Audit Committee.
-

5. Expense Categories & Limits

The Company reimburses the following categories. Monetary limits below are **per person** unless stated otherwise. Limits are reviewed annually and published in Appendix A.

5.1. Domestic Travel

- **Air travel** — Tiered by employee grade (Section 6.2).
- **Rail travel** — AC Chair Car / AC 2-Tier / AC 3-Tier by grade (Section 6.3).
- **Road / intercity cab** — Actuals with receipt, up to limits in Section 6.4.

5.2. Accommodation

- Hotel stays capped by city category and grade (Section 7).

5.3. Meals & Per Diem

- Per diem allowance on outstation travel, or actual meal expenses where per diem is not claimed (Section 8).

5.4. Local Conveyance

- App-based cabs, taxis, auto, metro/bus, and personal vehicle mileage (Section 10).

5.5. Business Entertainment

- Client meals, hospitality, and gifts within annual per-employee and per-guest caps (Section 9).

5.6. Communication

- Mobile reimbursement by grade; internet for eligible remote/hybrid staff (Section 11).

5.7. Other Business Expenses

- Printing, courier, conference fees, professional memberships, training — with prior approval where cost exceeds ₹5,000.
-

6. Travel — Air, Rail & Road

6.1. General Travel Rules

- All outstation travel requires a **Travel Authorisation Form** approved by the reporting manager **before booking**. Trips above ₹75,000 total estimated cost also require Finance Director approval.
- All bookings must be made through the **Company Travel Desk / approved booking portal**. Self-booked tickets are reimbursable only where the travel desk was unavailable, and only at cost

equal to or below the available desk rate.

- Travel must be booked **at least 7 days in advance** for domestic and 14 days for international trips, except emergencies. Late-booking fare premiums attributable to delayed planning may be questioned at approval.
- Date extensions and route changes require fresh approval. Personal legs attached to a business trip (e.g., a weekend stay) must be cost-neutral to the Company; only the business portion is reimbursed.
- **Personal travel combined with business travel:** The Company reimburses the lower of (a) the actual booked fare, or (b) the fare for the equivalent direct business itinerary on the same dates. Any difference is borne by the employee.

6.2. Air Travel — Entitlement by Grade

- **Grade A (Director & equivalents):** Business class, any sector; economy permitted and encouraged on sectors under 2 hours.
- **Grade B (Senior Management):** Economy class on all domestic sectors; premium economy on international flights exceeding 6 hours.
- **Grade C (Middle Management):** Economy class; lowest available fare at booking.
- **Grade D (Staff & Associates):** Economy class, lowest fare; air travel for journeys under 500 km requires manager justification where rail is feasible.

Upgrades using personal loyalty points are permitted at no cost to the Company. **Paid upgrades at employee cost are not reimbursable.** Upgrades paid by the Company require Grade-A approval and a documented operational reason (e.g., medical need).

6.3. Rail Travel

- **Grade A:** AC 2-Tier or AC Chair Car.
- **Grade B:** AC 2-Tier / AC 3-Tier.
- **Grades C & D:** AC 3-Tier / AC Chair Car.
- Tatkal charges are reimbursable when the trip was approved with less than 7 days' notice.
- Cancellation charges are reimbursable when the cancellation is attributable to business reasons; personal-reason cancellations are borne by the employee.

6.4. Road & Intercity Travel

- **App-based cabs (Ola/Uber etc.)** — Reimbursed at actuals with e-receipt, for business legs. Outstation round trips capped at ₹12/km equivalent benchmark; significantly higher fares need justification.
- **Intercity taxi (pre-paid)** — Up to ₹3,500/day domestic, ₹6,500/day in metro/high-demand cities, with receipt.
- **Self-drive rentals** — Prior approval required; compact/intermediate segment; fuel, tolls, and parking reimbursed with receipts; the rental agreement must name the Company's insurance requirements.
- **Company-leased vehicle** — Fuel and running expenses per fleet policy; personal use is a taxable perquisite and handled via payroll.

6.5. Airport & Station Transfers

- Economy of choice between app-cab and airport shuttle is expected. Valet parking, airport lounges (other than those included with Company-issued cards), and priority boarding fees are

not reimbursable unless incurred for a documented business need.

7. Accommodation & Lodging

7.1. Hotel Limits by City Category (per night, inclusive of taxes)

- **Mumbai / Delhi NCR / Bengaluru** — Grade A: ₹15,000 · Grade B: ₹9,000 · Grade C: ₹6,500 · Grade D: ₹4,500
- **Chennai / Hyderabad / Pune / Kolkata / Ahmedabad** — Grade A: ₹12,000 · Grade B: ₹7,500 · Grade C: ₹5,500 · Grade D: ₹4,000
- **All other cities (India)** — Grade A: ₹10,000 · Grade B: ₹6,000 · Grade C: ₹4,500 · Grade D: ₹3,500
- **International cities** — Per published country-cap list maintained by Finance (Appendix A basis); typically USD 150–350 by city tier and grade.

7.2. Booking & Stay Rules

- Book through the travel desk at corporate negotiated rates where available.
- Stays exceeding the cap require prior approval from the next-level manager stating the reason (e.g., conference hotel is the only walkable venue).
- **Occupancy sharing:** Where two employees of the same grade travel together, twin-sharing is encouraged but not mandatory; single rooms are permissible within cap.
- Stay duration must match approved travel dates. Early check-in/late check-out charges are reimbursable only when flight timing makes them unavoidable.
- **Incidentals:** Mini-bar, in-room movies, spa, laundry beyond 3 nights' stay, and personal purchases are not reimbursable. Wi-Fi on business trips is reimbursable.
- **Staying with friends/family:** Permitted; a nominal local-conveyance-plus-meal amount capped at 40% of the applicable hotel cap may be claimed as a goodwill contribution to the host, with manager approval.

7.3. Conferences & Events

- Where the Company sponsors a conference, accommodation at the event hotel within the city cap is reimbursable upon registration evidence.

8. Meals, Per Diem & Daily Allowances

8.1. Per Diem (Outstation Travel)

Per diem covers meals, tips, and minor personal incidentals, and is claimed per calendar day (pro-rated for part days) as follows. No meal receipts are required when per diem is claimed.

- **Grade A:** ₹2,500/day domestic · ₹6,500/day international
- **Grade B:** ₹1,800/day domestic · ₹5,000/day international
- **Grade C:** ₹1,400/day domestic · ₹4,000/day international
- **Grade D:** ₹1,100/day domestic · ₹3,200/day international

Rules:

- A "day" begins at the departure time and ends on return; days with fewer than 8 hours away are claimed at 50%.
- Per diem is **not payable** for days where meals are provided by the Company, the client, a conference package, or included in air/hotel tariffs; in such cases only the non-provided meals are covered via actuals.
- Employees may alternatively claim **actual meal expenses with receipts** up to 110% of the applicable per diem, choosing whichever is more beneficial — not both for the same meal.

8.2. Meals While on Local Business (Day Trips)

- Lunch/dinner during a local business day exceeding 10 hours, or client-facing meal (see Section 9), reimbursable with receipt up to ₹800 (Grade D), ₹1,200 (Grade C), ₹2,000 (Grades A & B) per meal.
- Daily commuting meals and regular office meals are **personal expenses** and never reimbursable.

9. Business Entertainment & Client Hospitality

9.1. Principles

- Entertainment must have a **specific business purpose** — relationship building, negotiation, celebration of a signed engagement — and must be recorded as such.
- Employees must not offer hospitality that could appear to influence, or be intended to influence, any improper decision. Gifts and hospitality involving **government officials** are prohibited except as permitted by the Company's Anti-Bribery Policy, with prior compliance sign-off.

9.2. Limits

- **Team meals (internal, business-driven):** Up to ₹1,000 per head per occasion with manager present; requires itemised receipt.
- **Client meals & hospitality:** Up to ₹3,000 per external guest per occasion (Grades B–C hosts); ₹6,000 for Grade A hosts or board-level guests. Higher amounts need Finance Director pre-approval.
- **Gifts:** Business gifts to clients up to ₹2,500 per gift per recipient per year; any single gift above ₹5,000, or cash/gift-card equivalents of any value, are **prohibited**.
- **Annual per-employee entertainment ceiling:** ₹50,000 (tracked by Finance; breaches reduce future approvals until reviewed).

9.3. Documentation

Every entertainment claim must list: date, venue, **attendee names with company affiliations (external guests)**, business purpose, and itemised receipt. Claims missing attendee detail will be returned unpaid.

10. Local Conveyance & Personal Vehicle Use

10.1. Daily Commute vs. Business Conveyance

- Ordinary home-to-office commuting is **personal** and not reimbursable.
- Business conveyance covers client visits, site visits, vendor meetings, bank work, and office-to-office movement.

10.2. Modes & Reimbursement

- **App-based cabs/auto/metro/bus** — Actuals with e-receipts.
 - **Personal vehicle mileage:** ₹18/km for cars, ₹9/km for two-wheelers, inclusive of fuel, wear, and insurance. The claim must state date, from/to locations, purpose, and distance. Google-Maps-verified distance is expected for claims above 60 km/day.
 - **Tolls & parking** — Reimbursable with receipts during business travel; valet and premium parking in the home city are personal.
 - **Traffic fines & challans** — Personal, never reimbursed.
-

11. Communication & Connectivity

- **Mobile reimbursement (monthly):** Grade A: ₹2,500 · Grade B: ₹1,800 · Grade C: ₹1,200 · Grade D: ₹800, against bill copy where a postpaid connection is expensed.
 - **Internet/broadband** for approved remote/hybrid roles: up to ₹1,500/month with bill copy.
 - **International roaming** while travelling: actual pack cost with receipt; local SIM purchase preferred for stays over 7 days.
 - Personal devices used for business are reimbursed only at the limits above; device purchase itself follows IT asset policy, not this Policy.
-

12. Relocation & Transfer Expenses

12.1. Employees transferred at the Company's initiative (not on personal request) may claim, with HR-Finance joint approval:

- One-way movement of self and immediate family: actuals via approved packer-and-mover.
- Temporary accommodation up to 15 days within hotel caps in Section 7.
- Journey expenses per travel entitlements in Section 6.
- One-time settling-in allowance of ₹15,000 (₹25,000 for international transfers).

12.2. Relocation claims must be submitted within 60 days of the transfer effective date.

13. Non-Reimbursable Expenses

The following are **never reimbursable**, regardless of approval level:

- Personal entertainment (movies, clubs, sports events) and personal travel companions' costs.
 - Alcohol beyond what is served within an approved client/host meal, and **all alcohol on domestic trips without external guests present**.
 - Traffic fines, parking fines, court penalties, and bail amounts.
 - Expenses already reimbursed by a client or third party.
 - Bar/hotel mini-bar, in-room entertainment, gym, spa, sauna.
-

- Mileage claims without trip detail; claims without receipts (except per diem and tolls below ₹100 where receipts are impractical — limited to 3 such items per claim).
- Fines and interest on delayed bill payments due to the employee's own negligence.
- Hotel loyalty-point purchases, airline lounge passes bought individually, and paid seat-selection upgrades.
- Political donations, charitable donations in Company name (unless through approved CSR process), and religious offerings on behalf of the Company.
- Any expense that is illegal, or contradicts the Anti-Bribery & Anti-Corruption Policy, POSH policy, or Code of Conduct.

14. Advances & the Corporate Card Programme

14.1. Travel & Expense Advances

- Advances up to 70% of estimated trip cost may be requested with approved Travel Authorisation, at least 5 working days before departure.
- Advances must be **settled within 10 working days** of trip completion by expense adjustment and/or repayment of the balance.
- Outstanding advances block new claims and future advances. Amounts outstanding beyond 30 days may be recovered from salary per the Company's dues-recovery process and applicable law.

14.2. Corporate Cards

- Company-issued cards are available to Grade A and B employees and frequent travellers (4+ trips/quarter), on manager nomination.
- The card is for **business use only**. Personal spending, even with intent to later exclude it, is a policy breach; a single instance triggers card suspension review.
- Card statements are reconciled monthly with expense reports; supporting documents attach to each line.
- Lost cards must be reported to Finance and the issuer within 24 hours; unreported fraudulent usage beyond this window may be borne by the cardholder.

15. Pre-Approval & Authorisation

15.1. Expenditure authority matrix:

- Employee — may commit up to ₹5,000 per occasion within policy.
- Manager — up to ₹50,000 per claim/cost centre per month.
- Department Head — up to ₹2,00,000.
- Finance Director — above ₹2,00,000 and all exception cases.
- Board Audit Committee — exceptional items above ₹10,00,000.

15.2. The following **always require prior written approval**, regardless of amount:

- International travel.
- Entertainment with government officials (plus compliance sign-off).
- Any non-reimbursable category requested as an exception

any non-reimbursable category, requested as an exception.

- Conference sponsorships and speaking engagements.
- Retainer/subscription commitments exceeding ₹25,000 per year.

15.3. Verbal/emergency approvals must be confirmed in writing (email/ticket) within 48 hours.

16. Documentation & Receipt Requirements

16.1. Every claim line requires a **valid, legible, tax invoice or receipt** showing vendor name, date, amount, tax registration (GSTIN where applicable), and description.

16.2. Requirements by amount:

- Up to ₹100 — receipt strongly encouraged; limited exceptions per Section 13.
- ₹100 – ₹5,000 — receipt mandatory.
- Above ₹5,000 — **tax invoice** (GST-compliant) mandatory; card charge slips alone are insufficient.

16.3. Digital photographs/scans of receipts are acceptable via the expense system. Originals above ₹25,000 must be preserved and submitted to Finance for audit sampling.

16.4. **Prohibited documentation practices:** altered receipts, photocopies passed off as originals for repeated claims, receipts in another person's name (except airline tickets booked by the travel desk), and claims split specifically to bypass approval limits.

16.5. Receipts in foreign currency must note the currency and the card/forex rate applied; conversion uses the Company's reference rate (SBI TT buying rate / card statement rate) on the transaction date.

17. Submission, Approval Workflow & Deadlines

17.1. All claims are filed in the **Company Expense System** (or prescribed template during outages) with all attachments.

17.2. Deadlines:

- **Routine local expenses** — within 30 days of incurrence.
- **Travel expenses** — within 10 working days of trip completion.
- **Corporate card statements** — reconciled by the 10th of the following month.
- **Year-end cut-off** — claims for a financial year must be filed by 31 March; belated filings up to 15 April with Finance Director approval; thereafter, lapsed.

17.3. **Workflow:** Claimant → Line Manager (business check) → Finance (policy & tax check) → Payment. Claims are approved or queried within 5 working days at each stage; automated reminders escalate to next-level managers after 7 days.

17.4. Returned claims must be corrected and resubmitted within 10 working days or they lapse. Repeated returns (3+ in a quarter) trigger a coaching conversation with Finance.

17.5. **Self-approval is prohibited** for everyone, including directors; a director's claims are approved by the Finance Director, and the Finance Director's by the Managing Director.

18. Reimbursement, Payment & Currency

18.1. Approved claims are paid via NEFT/IMPS to the employee's registered bank account on the **first and third Friday** of each month (or next working day).

18.2. Reimbursements are **cost-neutral to the employee**: no deduction of income tax where the expense is a genuine business expenditure reimbursed on actuals with documents, consistent with Section 17(2)(iv)/Rule 3(7)(ii) of the Income Tax Rules where per diems apply. Per diems within notified limits follow the tax treatment applicable in the relevant assessment year.

18.3. Foreign-currency claims are converted at the rate on the transaction date per Section 16.5. Personal foreign exchange (e.g., currency bought for personal holiday legs) must be excluded.

18.4. Overpayments and duplicate claims, once identified, are recovered in full — by adjustment against future claims, repayment, or salary deduction after written intimation.

19. Taxation, GST & Compliance

19.1. **Input Tax Credit (ITC)**: Claims must use GST-compliant tax invoices in the Company's name wherever practical, so the Company can claim ITC. Invoices in the employee's personal name block ITC and may be reimbursed without credit, which Finance may net off where material.

19.2. **TDS**: Payments to vendors above threshold through expense reimbursement routes may attract TDS; Finance handles statutory deduction and reporting.

19.3. **Blocklist**: Vendors and establishments found issuing fake or inflated invoices are reported to the Finance Director and debarred from Company business.

19.4. All records are retained for a minimum of **8 years** for audit and statutory purposes.

20. Fraud, Misuse & Disciplinary Action

20.1. Expense fraud includes: fictitious expenses, altered/fabricated receipts, duplicate claims, splitting to bypass limits, claiming personal expenses as business, claiming for trips not undertaken, and collusion with vendors.

20.2. **Zero tolerance**. Any substantiated instance results in recovery of the amount, and disciplinary action up to termination of employment, in line with the Company's disciplinary procedure and applicable law.

20.3. Cases involving amounts above ₹1,00,000, or any instance involving forged documents regardless of amount, are reported to the Board Audit Committee and may be escalated to legal proceedings.

20.4. **Audit sampling**: Finance reviews 100% of claims above ₹50,000 and a random 10% of all others monthly. Findings feed the annual policy review.

20.5. Employees may report suspected misuse confidentially through the Company's Whistleblower channel; retaliation against good-faith reporters is itself a disciplinary offence.

21. Exceptions & Waivers

21.1. Exceptions require written justification and approval per the authority matrix (Section 15.1), recorded in the exception register maintained by Finance.

21.2. Standing exceptions (e.g., a client city with unusually high hotel costs) may be granted for up to 12 months and reviewed at renewal.

21.3. Emergency situations (medical, disaster, security) override routine limits; the employee must document the emergency and inform the manager as soon as practicable.

22. Policy Governance, Review & Breach Handling

22.1. This Policy is owned by the Finance Director and reviewed **annually** or upon significant regulatory/business change, with Board Audit Committee endorsement.

22.2. Limits in Appendix A may be revised by the Finance Director mid-cycle where market conditions (e.g., airfare inflation) materially justify it; changes are notified company-wide.

22.3. Where an employee is unsure, the sequence is: (1) ask your manager, (2) ask Finance, (3) default to the conservative interpretation.

22.4. This Policy prevails over departmental custom unless a stricter departmental rule exists, and over any verbal assurance previously given.

23. Appendices — Quick Reference Limits & Definitions

Appendix A — Quick Reference Limits (per person)

- **Air travel:** Business (Grade A) / Economy (Grades B–D); lowest-fare rule for C & D.
- **Rail:** AC 2-Tier (A) · AC 2/3-Tier (B) · AC 3-Tier/Chair Car (C & D).
- **Hotels (metro):** ₹15,000 / ₹9,000 / ₹6,500 / ₹4,500 (A/B/C/D).
- **Hotels (other cities):** ₹10,000 / ₹6,000 / ₹4,500 / ₹3,500.
- **Per diem (domestic):** ₹2,500 / ₹1,800 / ₹1,400 / ₹1,100.
- **Per diem (international):** ₹6,500 / ₹5,000 / ₹4,000 / ₹3,200.
- **Personal vehicle:** ₹18/km car · ₹9/km two-wheeler.
- **Client hospitality:** ₹3,000 per guest (₹6,000 Grade-A hosts).
- **Gifts:** ≤ ₹2,500 per gift; > ₹5,000 prohibited; no cash/gift cards.
- **Mobile:** ₹2,500 / ₹1,800 / ₹1,200 / ₹800 per month.
- **Claim deadlines:** 30 days routine · 10 working days post-travel · 31 March year-end cut-off.

Appendix B — Definitions

- **Business day:** Any day other than Sunday and Company-notified holidays.
- **Cost centre:** The budget unit against which the expense is charged.
- **Grade:** Employee band assigned by HR (A = Director level; D = Staff level).
- **Metro cities:** Mumbai, Delhi NCR, Bengaluru, Chennai, Hyderabad, Pune, Kolkata, Ahmedabad.
- **Outstation travel:** Travel outside 100 km radius from the employee's base city involving an

overnight stay or 12+ hours away.

- **Tax invoice:** GST-compliant invoice as defined under the CGST Act, 2017.
- **Travel Authorisation:** Written pre-approval of trip purpose, dates, and estimated cost.
